Notice to Industry  
23 August 2010

48/2010

### **AIMS Outage**

The AQIS Import Management System (AIMS) will be unavailable from 19.00 to 22.00 AEST on Tuesday, 31 August 2010, so that critical database changes can be carried out.

The outage will result in delays in messaging between AIMS and the Australian Customs and Border Protection Service Integrated Cargo System (ICS).

AQIS apologises for any inconvenience caused by the outage.
