

INDUSTRY RELEASE: 15th November 2012

DELIVER GROUP FORMALLY PURCHASES VICTORIAN BASED PALLET AND CASE MANUFACTURER – Australian Pallet & Case (APC) PTY LTD.

It gives us great pleasure to officially introduce ourselves as a recent entrant into the pallet, case, crate, and cardboard packaging manufacturing sectors. On 10th October 2012 Deliver Industrial Packaging Pty Ltd purchased all manufacturing and facility assets of Australian Pallet and Case Pty Ltd (APC) Springvale Operations.

A New Team

We have assembled a high quality, customer focused team, from the production floor through to senior management, all of whom combine to ensure that our customers receive nothing less than industry leading services and reliability.

Our new team all have significant industry specific experience with the required skill sets and effective product development knowledge that will establish a clear point difference within this market place.

Our Objectives

Both of these key elements (our manufacturing capability and our industry experience) combined, provide Deliver Industrial Packaging (DIP) with the very “best of class” capabilities. DIP has a dedicated focus on providing the highest possible levels of customer satisfaction in the delivery of high quality, lowest cost **timber and cardboard** packaging products.

Quality Suppliers

As part of providing highest quality, lowest cost products, Deliver Industrial Packaging (DIP) has established new supplier arrangements with well known Australian forest and cardboard providers.

Service Offering

Deliver Industrial Packaging can offer you a fully customized & tailored service to meet all of your particular needs in all aspects of timber and cardboard packaging, including;

- **Standard or custom pine and hardwood pallets / skids / crates and cases**
- **Individualisation stencilling (Brand and Colours)**
- **Pallet and Slip sheets**
- **Stencilled Ply Board**
- **Expertise in tailored case, crate and heavy cardboard product development**
- **Specialization in large format timber and cardboard packaging**

- Fully capable - from small customized “combing timber and cardboard” through high volume quantities
- Timber Heat Treatments – Kiln Drying with Accredited Export Documentation.
- Aus-Qual Certified
- Export Accredited
