

DIRECTORS' AND OFFICERS' DUTIES AND OBLIGATIONS - WHAT ARE THEY AND WHAT DO I HAVE TO DO TO AVOID PERSONAL LIABILITY?

HWL Ebsworth's Commercial and Workplace Relations and Safety Groups invite you to attend a breakfast seminar focusing on directors' and officers' duties and obligations.

Directors and officers are at risk of personal liability if they do not perform their duties and obligations appropriately. In this session:

- Michael Connolly (Partner) and Sina Mostafavi (Senior Associate) of HWL Ebsworth's Workplace Relations & Safety Group will discuss the Federal and State laws imposing personal liability on directors and officers in the Workplace Health & Safety, discrimination, sham contracting and employment context; and
- John McCombe (Partner) of HWL Ebsworth's Commercial Group will discuss various statutory and general law duties and obligations imposed on directors and officers in the commercial/corporate context. He will also canvass the key principles of delegation and reliance and outline some pro-active steps that can be taken by directors and officers to minimise the risk of personal liability.

We hope you can join us.
