

Department of State and
Regional Development

INVITATION

The NSW Air Freight Council (AFC) and the Department of State and Regional Development (DSRD) invite you to a forum with presentations and open discussions on:

SYDNEY AIRPORT PRECINCT SECURITY and THE FUTURE OF AIR FREIGHT IN SYDNEY

When: - Wednesday 30 August 2006, 4.00pm – 6.30pm
Where: - Trade and Investment (T&I) of DSRD
LEVEL 47 MLC CENTRE MARTIN PLACE SYDNEY 2001

SYDNEY AIRPORT PRECINCT SECURITY

Norm Neligan, General Manager, Intelligent Risks P/L (consultancy), will provide an overview of the project and report on preliminary findings. Norm and members of the AFCNSW will be available to discuss and seek the views of participants on security regulations, security related issues, needs, technologies, products and processes.

THE FUTURE OF AIRFREIGHT IN SYDNEY

David Bendall, Director MariTrade P/L (consultancy), will report on airfreight in and out Sydney airport, past, present and possible future trends. David and members of the AFCNSW will be available to discuss the issue of airfreighters 'into Sydney'.

A Questions and Answers session will follow, to be concluded with Networking

RSVP: Monday 28 August 2006 to either:
Julie Dryden: julie.dryden@adslirect.com.au or
